

# PatternFly

## Community Meeting

April 2017

# Announcements

- The PatternFly Conference is a half-day community conference dedicated to sharing ideas, techniques, and tools to power great user experiences through front-end design and development. <http://www.patternfly.org/conference/2017/>
  - We are honored that Michael Tiemann has accepted our invitation to join us and give a keynote address.
  - [Call for speakers submissions are due today!](#)
- PatternFly will have a booth at Red Hat Summit in the Partner Pavilion in the larger UXD area. Come see us!
  - Usability Tests
  - Quick Start
  - PatternFly Lightning Talk in the "Theatre @ DevZone" Tuesday (between 4-5PM)
  - New t-shirts!

# Repo Team Updates (cont.)

- [patternfly-angular](#)
  - Updates
    - The 4.0.0-rc.1 release of PatternFly and Angular-PatternFly is now available.
      - Migration guides for moving to 4.0 are in progress. Please consider contributing to the migration guides:
        - [PatternFly-4-Migration-Guide](#)
        - [Angular-PatternFly-4-Migration-Guide](#)
    - Donut Chart: “Relationship of a Set of Values to a Whole” pattern (Dave)
- [Patternfly-design](#) (Leslie)
  - Updates
    - [Tour pattern](#)
    - [Sort pattern](#)
    - [Mobile Guidelines](#)
    - [Fly out menu option added to navigation](#)
  - Kudos: Thank you to Suzanne Hillman for helping us with bugs!

# Other Updates

- Test plan, prototype and user testing for pagination for tables and other content views.
- Forms clean-up and organization is on-going
- Vertical and horizontal navigation - big picture
- Thanks to David for keeping the [PatternFly Sass port](#) current with the latest 3.23.2 release.

# Discussion

- Should we replace the larger community meeting with smaller community meetings that are geared to specific frameworks and/or disciplines?
  - Potential community meetings
    - patternfly-react
    - patternfly-ng
    - patternfly-angular
    - patternfly-webcomponents
    - patternfly-design
    - Others?
  - Sign up <http://etherpad.corp.redhat.com/patternfly-community-meetings>

# Current Sprint 37 and Future Work

- Check out the [current sprint plan](#) to view ongoing work and our [backlog](#) for future work.

Questions or Requests?

Today's slides and recording will be available here:
